

Electric Golf Cart, 2 seats, Model EG2028K

- ØVoltage: 36V or 48V
- ØMotor: DC motor at 3KW, 3.8KW or 5.3KW
AC motor at 3KW or 5KW
- ØController: Curtis Brand, 275A, 350A or 400A
- ØBattery: Trojan lead acid battery
- ØCharger: HF onboard charger 20A/25A
- ØMax. speed (km/h): up to 40
- ØRange (km): up to 100kms
- ØClimbing ability: up to 25%
- ØDimension (LxWxH)(mm): 2350x1150x1850
- ØTurning radius: <3.5m
- ØWith light system including headlight, turning light, brake lights
- ØSteel framework chassis with anti-rust treatment of phosphating, e-coating and powder coating
- ØPP plastic body
- ØSuspension with shock absorber and leaf spring
- ØMechanical brake and regenerative brake
- Ø10x6 aluminum rim and 205/50-10 tire
- Ø6 standard body colors

Drive it for

- üPlaying at golf course
- üGoing to for shopping
- üGoing around neighborhood
- üTaking kid to school and back home
